Here at Pretend City we are all about encouraging kids to dream big. Now you can help your child dream even bigger by putting their name on a book at the Pretend City Library. Your customized book will line the walls of our Library for one year! Your donation will fund the amazing programming we do in the museum every day including story time, art projects, cultural celebrations and more.

For a gift of $75 or more you will receive two complimentary tickets to Pretend City!

* Thank you for your contribution. You will be mailed a confirmation letter/tax receipt. The two complimentary tickets to Pretend City, valued at $25, are not tax-deductible. The remainder of your gift is tax-deductible.
