

Featured Family Interest Questionnaire

The home is at the heart of every family, and this is the same at Pretend City. Our Home will reflect the diversity of Orange County and will showcase elements of many of our cultures. Once per year, the interior of Pretend City's learning space, "Our Home," completely changes to reflect the real lives of a featured Orange County family. This learning space will feature the family's customs, furnishings, rituals, celebrations, food, and even the challenges and successes of their daily lives.
